From the Desk of Tom Catanese

If you have been invited to view this page then consider your self special! This Motion Picture on the life and times of Robert Mondavi was created, produced and directed by Tom Catanese at the invitation of the Mondavi Children and the Estate of Robert Mondavi.

My partner Shelly Margolis and I are presently seeking the book rights to Robert Mondavi's life time story, Harvest of Joy!

I created this movie for the Mondavi children so that they may see what the Movie would look like on the screen! Robert's life was a rags-to-riches life from an average Wine maker in Napa Valley back in 1964 to becoming the World Wide Wine ICON of the World! In just 39 years he sold over \$8 billion dollars in Wine World wide!

This Movie will take you on the roller coaster of his life and we will share with you All the reasons why this Movie must be made!

Sincerely yours,

Tom Catanese and Shelly Margolis
