TO: Shelly and Tom

Today's conference call has opened the door to this movie concept!
I am glad that we are finally making a move to actually begin the
process!

There is no movie out there that has the rags to riches theme that
my Father's life had!

Let's all put our heads together and come up with an agreement
before we bring in any lawyers!

We know what we want to do we just have to spell it out in an
agreement form!

Harvey and I will begin to work on our side of the agreement this
coming week! Tom, if you think that Constellation is planning on
making their own movie then we had better move quickly!

They have all the millions that the need to move fast on a movie!

The Best

Michael
